### Manuela Ochakovski

The Romanian born soprano lives and works in Netherlands since 2002. Her singing career spans over 20 years. She sang important roles as a soloist in renowned opera houses and concert halls, particularly in Germany. In addition to her performances, she has always taught. After building her vocal studio Manuela Ochakovski's directive is focused entirely on giving singing lessons to professionals and amateurs and to coaching professional singers. Her singing studio 'il Portamento' grows slowly to an international reputation. In addition to the singers from the Netherlands many others from Belgium, England, Switzerland and Canada have already found their way to 'il Portamento'. Some of them are now employed as a soloist on national and international stages.
